

Little Old Wine Drinker Me

Hank Mills

G C G /
I'm praying for a rain in California

G / D /
So the grapes can grow and they can make more wine

G C G /
And I'm sitting in a honky in Chicago

G D7 G /
With a broken heart and a woman on my mind.

D / G /
I'll ask the man behind the bar for the jukebox

G / D /
And the music takes me back to Tennessee

G C G C
And when they ask who's the fool in the corner, crying

G - D7 G
I'll say, *! *! little old wine drinker, me.

G C G /
I came here last week from down in Nashville

G / D /
'Cause my baby left for Florida on a train

G C G /
I thought I'd get a job and just forget her

G D7 G /
But in Chicago a broken heart is still the same.

I'll ask the man...

I'll ask the man...
