

Mormond Braes

C / / /
As I get doon by Strichen toon

C / **F** **C**
I heard a fair maid mournin'

C / / /
She was makin' sair complaint

F **C** **G7** **C**
for her true love ne'er returnin'

C / / /
So fare ye weel ye Mormond Braes,

C / **F** **C**
where oft times I been cheery

C / / /
Fare ye weel ye Mormond Braes

F **C** **G7** **C**
for it's there I lost my dearie

Killiecrankie

G / **C** /
Whaur hae ye been sae braw, lad!

G / **D7** /
Whaur hae ye been sae brankie, O!

G / **C** /
Whaur hae ye been sae braw, lad,

G **D7** **C** **G**
Cam ye by Killiecrankie. O!

G / **C** /
An' ye had been whaur I hae been

G / **D7** /
Ye wad na been sae cantie, O,

G / **C** /
An' ye had seen what I had seen,

G **D7** **C** **G**
On the braes o' Killiecrankie, O.

The Road to Dundee

G / **C** **G**
Could winter was howlin' o'er moor and o'er mountain

C **G** / **D7**
And wild was the surge of the dark rolling sea,

G / **C** **G**
When I met about daybreak a bonnie young lassie,

C **G** **D7** **G**
Wha asked me the road and the miles to Dundee.
