X T I X T I X I

D /
On Friday, I had a bridie

A7 /
On Saturday, I had a bridie

D /
On Sunday, I had a bridie

A7 D
On Monday I had a bridie

D /
On Tuesday I had a bridie

A7 /
On Wednesday I had a bridie

D /
On Thursday, it was the best day

A7 D
I had two great big fat bridies!

D /
Some folk like the cake they mak in Dundee

Em A7
In Aiberdeen, they like their butteries.

D /
And the Arbroathies, they like smokies

A7 D
But in Forfar, we like bridies

On Friday, I had a bridie...

I get invited to lots o' parties.
they gie me coke an' loads o' smarties
But that's nae guid, don't mean ti be rude,
But I only eat the one food.

On Friday, I had a bridie...

School dinners are hard tae take
'cause they've banned the chips an' the chocolate cake.
And now we hae a salad bar,
But I want tae ken far the bridies are!

On Friday, I had a bridie...
